

Medium Ride Report, Wednesday 2nd October 2013

By John Woodford

Leaving Uxbridge the coffee stop was the White Horse at Hedgerly, where we are always made very welcome. After we followed Kiln Lane, significant soak ways are being planned to assist with flood avoidance. Kiln Lane thro the farm has been recently been resurfaced. Thro to Wooburn Green and onward to the bridge at Cookham we followed the Thames to Bourne End footbridge and Onward to the Spade Oak for a good and prompt lunch. Margaret and Tony left us. We reversed our route and followed a footpath to Wooburn Green Church. We ascended Wash Hill and thro to Ship Hill and Beconsfield M40 Service Area. Onward to The Ugly Duckling at Tatling End. After tea we dispersed homewards.
